An L.L.Bean trip guide will meet guests at the Portland International Jetport baggage claim area at 9:00 a.m. Once gathered, we'll shuttle together to the charming town of Freeport, L.L.Bean's hometown for over a century.

If driving to Maine or flying into Portland the night before, please plan to meet us at our Flying Point Paddling Center at 10:00 a.m. The Paddling Center is located at 14 Marietta Lane, Freeport, Maine.

Together we will head to Greenville to our "off the grid" getaway for the next three nights; we will stop for lunch along the way. After settling into your cozy cabin, feel free to explore the grounds, paddle across the pond or simply relax and enjoy the spectacular setting. We are now in North Maine Woods with endless opportunities for exploration and outdoor fun.

We'll end the day with a hearty, three-course family style dinner at the Main Lodge.

Activity: Outdoor activity of your choice, as time allows

Day 2: Guided Day Hike Along Gulf Hagas, the "Grand Canyon of Maine"

Once back at camp, you'll have free time to paddle across the pond or relax lakeside before our family-style group dinner.

Day 3: Scenic Float Plane Tour and Canoe Tour

After breakfast, we'll leave the lodge and walk down to the dock for a special float plane adventure! Climb aboard and enjoy an unforgettable sightseeing tour, with amazing birds-eye views of Moosehead Lake, Mount Kineo and distant Mount Katahdin, the highest peak in Maine. The pilot will also try to find moose for viewing as well. The float plane will take off and land on the water.

While one group (2-3 people) is flying, the others can relax on an Adirondack chair and take in the incredible setting. After the float plane tour, your guide will provide a lesson on some basic canoe handling skills and then set off on a tour of the pond in front of your cabins. Kayaks and stand up paddleboards will also be available for guests to use on the pond.

We'll end the fun-filled day with a group family-style dinner at the Main Lodge.

Lodging: AMC Gorman Chairback

Meals Included: Breakfast, Lunch, Dinner

Activity: Float plane touring, canoe tour, kayaking and stand up paddleboarding

Day 4: Guided Day Hike of Iconic Mount Kineo

Today we'll head to The Forks region, known as Maine's wilderness playground. Following the footsteps (and paddle splashes) of author and naturalist Henry David Thoreau, we will head to Mount Kineo, an impressive 800-foot mountain. After arriving by water taxi, we'll hike 4 miles (round trip) to the old fire tower which offers breathtaking 360-degree view of the Moosehead region. Mount Kineo has been a favorite destination for Maine residents and visitors for centuries.

Our group dinner will be at a favorite local restaurant.

Tonight's stay is in cozy cabin lodging at an adventure resort, our home for the next few nights. Amenities at this resort include an outdoor swimming pool, giant outdoor hot tub, game room and on-site microbrewery.

Lodging: Northern Outdoors lodge

Meals Included: Breakfast, Trail Lunch, Dinner

Activity: Moderate 4-mile hike

Day 5: Day Hiking, Lazy Float Or Add-On Fly Fishing Option

The choice is yours today in the wilderness playground! Come hike, paddle, fish or take a drive - the outdoor activity is up to you.

Hiking: Lace up your hiking shoes and join your guide for an easy trek above the tree line for some stunning views. There are many great hiking options in the area!

Water adventure: Spend a few hours leisurely floating on the calmer sections of the Kennebec River, surrounded by amazing scenery.

Fishing: For guests who love wetting a line, we will also offer an add-on option to purchase a drift trip with a local fly fishing guide for a half day of personalized instruction and fishing.

Moose spotting: Of course, a trip to Maine is not complete without viewing Maine's official state animal – and summer is prime moose-spotting season. Don't miss this chance for a scenic drive to local spots ideal for moose spotting.

Tonight, we will gather at the Hawk's Nest Restaurant & Pub – the perfect place to unwind after another fun day outdoors.

Day 6: Whitewater Rafting

The Forks is the mecca of whitewater rafting in New England! So, after breakfast, we will head to the historic Kennebec River for an amazing whitewater rafting adventure — a thrilling experience for first-timers and experienced enthusiasts. Led by Registered Maine Guides, we'll ride non-stop wave trains and rapids (some four to six feet high), winding our way through the deep, beautiful Kennebec River Gorge*.

After tackling the rapids, we'll paddle down to the milder lower section to enjoy a riverside lunch and leisurely float on calmer waters. Here, we'll have plenty of time to relax, take in the beautiful scenery and view amazing wildlife such as eagles, moose and osprey.

We'll end the fun-filled day with a group family-style dinner at the Main Lodge.

Lodging: Northern Outdoors lodge

Meals Included: Breakfast, Lunch, Dinner

Activity: Class 2-4 whitewater rafting, swimming and floating

After breakfast, we will drive back to Freeport and the Portland International Jetport; estimated arrival time at the airport is 12 noon. Thank you for joining us!

Packing List & Tips

The detailed list below covers what you need to pack for your upcoming adventure trip, based on over 40 years of L.L.Bean's experience leading outdoor adventures. We look forward to exploring a variety of outdoor activities with you and sharing our love of the great outdoors.

VACATIONLAND CASUAL

The dress code for Maine and our adventure trip is practical and casual. Our farewell dinner may be an opportunity to dress up, but that is up to you.

LAYERS

Dressing in layers is the key to staying comfortable in the outdoors. Multiple layers allows flexibility to respond to your activity level and changing weather conditions. We can expect temperatures between 50°F and 70°F.

Your base and middle layers should include wool or synthetic clothing or a combination of both. Please avoid bringing all-cotton clothing. When wet, cotton rapidly robs the heat from your body and takes a long time to dry. Wool or synthetic fabrics are best because they don't absorb water, so they will keep you warm even if they get wet. Synthetic clothing also dries quickly.

For a top layer, we recommend waterproof/breathable rain gear. This gear will protect you from the wind and rain and help keep you dry.

LUGGAGE

This trip is supported with a 14-passenger bus. We ask that you limit yourself to one medium-sized, soft-sided travel bag plus a small daypack, as space is limited.
