## TACTICS FOR CATCHING TROPHY FISH with “Crazy” Alberto Knie

Striper fishing legend Alberto Knie will share tips & expert know-how on catching trophy-sized striped bass and other species. He'll also discuss how to locate fish and be more consistent when searching for the sometimes-elusive striper.

Alberto is an IGFA World Record line class holder, Pro-Staffer and consultant for various premium fishing manufacturers and the founder of *Tactical Anglers, Inc.* He's been featured at all major sport and fishing shows throughout the Northeast and the Florida coast, and written up in national publications including *Saltwater Sportsman* and *Field and Stream*, in addition to countless other regional magazines.
