**If you require handicapped access or accommodations, need assistance with your reservation or have any other questions, please call 1-888-552-3261.**

Synthetic clothing dries quickly and is the best choice for outdoor pursuits. Please do not wear cotton clothing. When wet, cotton rapidly robs the heat from your body and takes a long time to dry. We also recommend you dress in multiple layers of clothing, allowing you more flexibility to comfortably respond to the weather conditions and your level of exertion.
